

Finest Watches is a watch retailer and wholesaler based in Encino, California, USA. Finest Watches buys, sells and trades both new and pre-owned watches from a vast network of suppliers, dealers and collectors worldwide.

Founded in 1999, Finest Watches' mission is to provide quality watches, excellent customer service and the lowest prices anywhere on the world's Finest Watches.

Le Temp En Motion Paris Double Watchwinder

These exquisite watchwinders feature battery function or can run with an AC adapter which does not recharge batteries. The turns per day (TPD) switch rotates 360 degrees, pauses, system counts each cycle from motor start to next. Even when the voltage of batteries drops, the motor turns slower, pause interval reduced to maintain time of each cycle. There is a status indicator for the batteries. Plastic cup holder with foam holder. Direction switch for clockwise, counterclockwise and automatic reversing. Power on and off switch. 2 turns per day switches which gives you multiple choices.
